

Be The First To Drive

The Volvo EX30 is our latest electric SUV made for every moment in life.

It's packed with technology, featuring a new automatic parking feature, Google Built-in, upgraded Pilot Assist, and 360° environmental awareness from multiple cameras, sensors, and radars that look out for you and others on the road. While big on tech and safety, it's also the fastest-accelerating Volvo car to date, with the smallest carbon footprint ever.

Don't just take our word for it. Get in the driver's seat of the new, fully electric Volvo EX30 at our first-of-its-kind launch showcase and driving experience:

DATE: 26th to 29th September 2024

TIME: 10:00am to 6:00pm (8 sessions per day starting on the hour)

LOCATION: KL Base, Sungai Besi

Slots are limited and available on a first come, first served basis. Don't miss out on a chance to be one of the first to experience the EX30 yourself.

REGISTER HERE

What You'll Experience

1 Understand the little thoughts that make a big impact with the EX30

2 See, touch, hear, and feel the EX30 in person

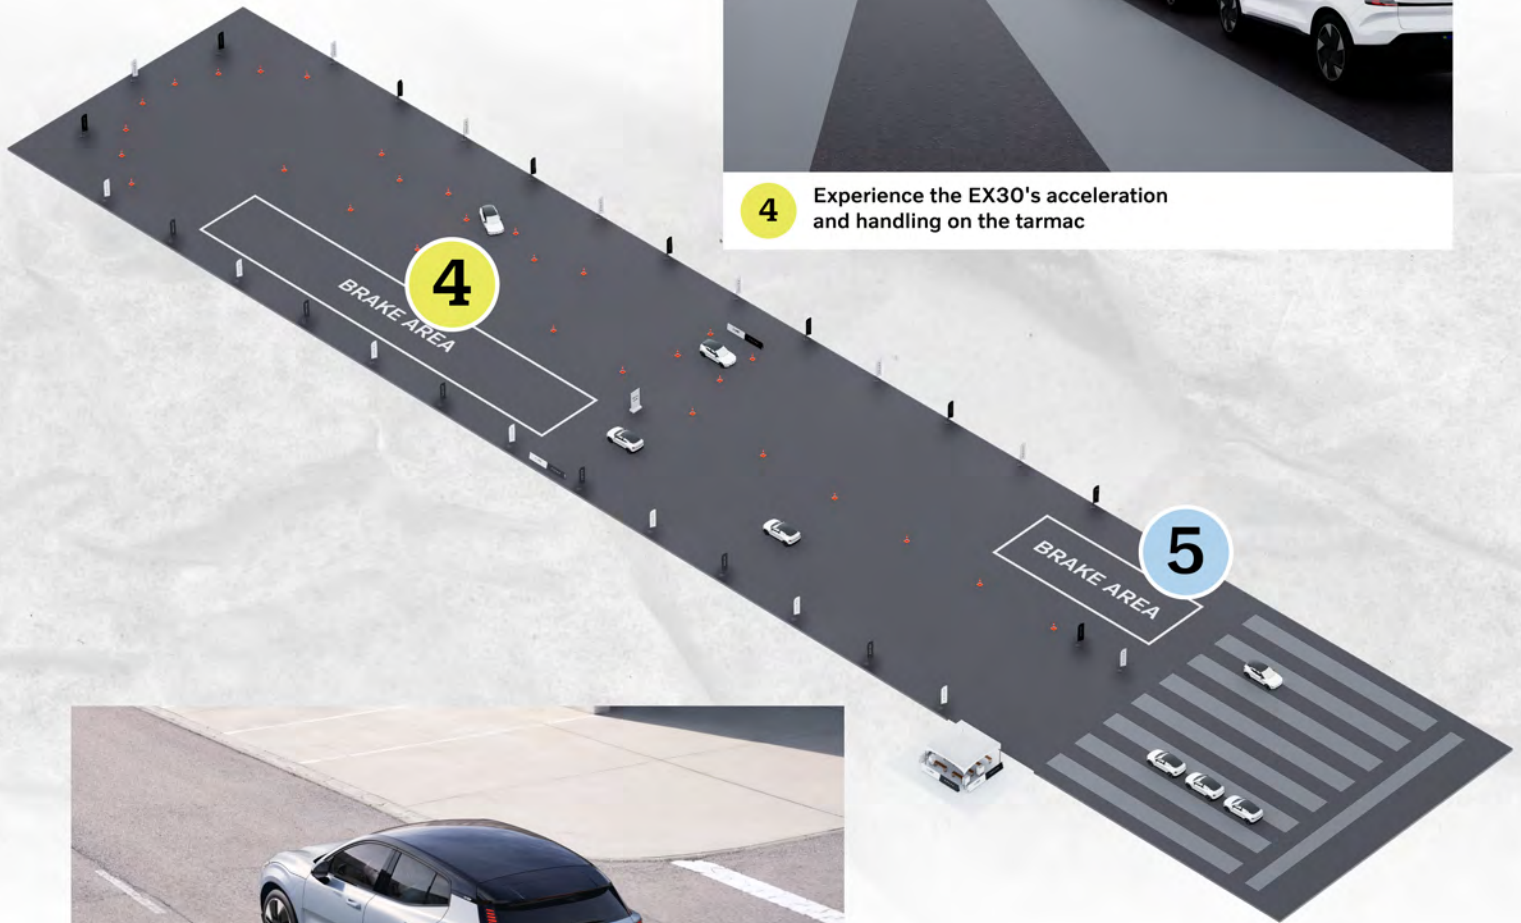

3 Learn about the EX30's tech and features in an interactive car ride

What You'll Experience

4 Experience the EX30's acceleration and handling on the tarmac

5 Take the EX30 for a test drive on real, busy city roads

Important Reminders

1. Please arrive at least half an hour before your slot for registration.
2. Bring a valid national identification document (NRIC / passport) and a valid driving license if you would like to experience the hands-on driving experience. Non-Malaysians must own an international driver's license and passport for verification.
3. Wear appropriate attire and covered shoes for the driving experience. For your safety, high heels, sandals, and flip flops are strictly prohibited.
4. Non-registered guests are not allowed to drive or ride along as passengers.
5. Children are not allowed in the driving experience area. Their safety is your responsibility.
